Registration

Registration before September 6th,
2013 on <http://voeding.kvcv.be>

Fee

members KVCV: 100€
non-KVCV members: 140€
PhD-students: 75€

Reduction of 10% for 10 or more
participants of the same company
or organisation (1 invoice).

First Announcement & Call for Abstracts

Trends in Food Analysis VII is a one-day scientific symposium dedicated to recent advances in food analysis. Scientists will have the opportunity to present their results during oral or poster presentations. Invited speakers will give an overview of the state of the art in analytical food science. Laboratories can present their analytical services on business posters.

Scientific Programme

8.30	Registration + coffee	
9.30	Opening	
9.35	Session 1: Sampling and sample preparation in food analysis	
	Keynote speaker (L. Mondello, University of Messina, Italy) 2 platform presentations	
10.40	Coffee break, poster viewing and technical exhibition	
11.30	Session 2: Novel screening techniques in food analysis 3 platform presentations	Session 3: Advances in quantitative food analysis 3 platform presentations
	Lunch, poster viewing and technical exhibition/vendor seminar	
14.20	Session 4: Omics in food analysis	
	Keynote speaker (A. Charlton, Fera, UK) 2 platform presentations	
15.25	Coffee break, poster viewing and technical exhibition	
16.15	Plenary lecture on smart phone technology: perspectives in food analysis (J. Newman, Cranfield University UK)	
16.45	Closing session and poster award	

Abstracts & Business Posters

Topics for scientific oral or poster presentations are chromatographic techniques, chemical and microbiological food safety, omics, biosensors, rapid screening, sample preparation techniques, ...
Business posters are related to laboratory activities in food or feed. Business posters and one-page abstracts for poster or oral presentations should be submitted **before May 17th, 2013**.

Guidelines on <http://voeding.kvcv.be>

Scientific and organising committee

Prof. Lynn Vanhaecke (symposium chair), Dr. Els Daeseleire (treasurer), Hon. Prof. Hubert De Brabander, Prof. Sarah De Saeger, Drs. Jurgen Denys, Prof. Bruno De Meulenaer, Dr. Inge Dirinck, Hon. Prof. Wilfried Ooghe (coordinator exhibition), Dr. Rudy Senten (symposium secretariat) and Ir. Joris Van Loco.
