14TH EUROPEAN CONFERENCE ON RESEARCH IN CHEMICAL EDUCATION

2nd-6th September 2018 – Warsaw, Poland

„Educational innovations and teachers’ needs”

Dear Researchers,

we invite You to attend 14th ECRICE, which will take place in Poland in 2018. The conference will be held from September 2nd to September 6th at University of Warsaw, Faculty of Chemistry.

ECRICE is a meeting for academics, educational researchers, students and school teachers who like to present results of their research in the field of chemical education at every level of education - from primary school to postgraduate and PhD studies, as well as exchanging experience in research, promoting lifelong learning and enthusiasm for chemistry. ECRICE is organized under the auspices of the Division of Chemical Education of EuCheMS.

There will be a lot of possibilities for discussion about novelties in chemical education and the latest discoveries in science, future cooperation talks and designing future educational projects during the conference sessions, breaks and accompanying events.

On behalf of the Organizing Committee,
Agnieszka Siporska, Ph.D.
