## ***Dear Colleagues!***

The Organizing Committee is pleased to invite you to participate in the International conference “**Chemistry of Nitrogen Containing Heterocycles**” (**CNCH-2018**) *in memoriam of Prof. Valeriy Orlov*, which will be held in Kharkiv, Ukraine, **12-16 November, 2018**.

The Conference is organized by SSI “Institute for Single Crystals” of NAS of Ukraine, V.N. Karazin Kharkiv National University, National University of Pharmacy and Institute of Organic Chemistry of NAS of Ukraine.

Conference will be held in Kharkiv (Ukraine) in two sessions:

1. Synthesis, structure, properties and reactivity of Nitrogen containing heterocycles and related compounds and mechanisms of reactions.
2. Functional materials and biological active substances with Nitrogen containing heterocycles.

We would like to offer you to give a poster or an oral talk on any of the declared topics on your choice.

- The poster talk (vertical orientation of the poster with A1 format);
- The oral talk (20 minutes including questions).

Official report and abstract language is English.

Without confirmed registration fee payment participant’s registration **will be declined** and certain abstracts will be rejected from the Conference Proceedings’ Book.

## LOCATION

### **KHARKIV-CITY**

Located in the eastern part of Ukraine, Kharkiv has quite a lot to offer to visitors, and the weather at the end of autumn is usually favorable for sightseeing. It is the second city of Ukraine with the population of about 1.5 million. Convenient and good-quality accommodation is available in hotels near the Conference site. Kharkiv offers a modern well-developed transport infrastructure and direct air and train connection with a number of countries. Also, there exists regular train and bus connection with the main Ukrainian international airport Boryspil (Kyiv).

At the moment, **no visa** is required for citizens of the USA, Schengen and the NIS countries. All requirements can be found on the site of Ministry of foreign affairs of Ukraine: <http://mfa.gov.ua/en/consular-affairs/entering-ukraine/visa-requirements-for-foreigners>
